NEXT STEPS

One "next step" at ATN is called a growth group, and we find that the relationships built in these small group settings are beautiful and deep.

Can you help us tailor our upcoming opportunities to fit your needs/wants? Please fill out the survey below to let us know what group(s) you'd find fulfilling:

God's People, Even in a New Place

by Pastor Justin Noseworthy

The church is a people, not a building. We are the people of God who animate God's kingdom here on earth as it is in heaven. That said, the church often meets in a building to encounter God's Word and Spirit through scripture, song, prayer, and fellowship. Coffee and donuts, both signs of God's favor, are usually involved. :)

Then, the church is sent out from that building. That's why the term *mass* has the same root as *mission* or being sent. We gather to be sent out.

With deep gratitude, we have loved the privilege of meeting at Monterey High School since 2018. Also, the ATN Staff and Leadership Team unanimously see the limitations of the MHS facilities concerning our purposes for gathering.

Details will follow and the good news is that we are still the church! And the church is a people, not a building. We are excited for a new season in a new space that will better facilitate the mission to which God has called us!
